

How to make appointments

Vaccination against yellow fever is given only by **advance appointments**.

Appointment is available **only over the phone**.

Unfortunately, **we have few staff who speak English** and other language, so it is strongly recommended that you get the help of your family or friends who speak Japanese when you call us.

1 Date and hour

♥ Shizuoka Welfare Hospital

- ▣ See above PDF “Yellow fever vaccination schedule”
- ▣ Details will be given on the phone
- ※ Except for Japanese national holidays and around New Year's Day (29th Dec. through 3rd Jan.)

2 People who can make an appointment

- ▣ For aged of 16 or older, we accept appointment call exclusively from vaccinees themselves. Appointment calls on behalf of vaccinees are acceptable only when an interpreter makes a phone call, and the vaccinee stays beside the interpreter during the call.
- ▣ For aged younger than 16, we accept appointment call exclusively from their parents or guardians.

3 Telephone number for appointment

- ▣ 0548-29-2420 (Shizuoka Airport Detached Office of Nagoya Quarantine Station)
- ※ It is possible that we miss calls especially when flights arrive.

4 Application hours

- ▣ On weekdays, from 14:00 (2 PM) to 17:00 (5 PM)
- ※ Except for Japanese national holidays and around New Year's Day (29th Dec. through 3rd Jan.)

5 Time needed for appointment call

- ▣ It takes about 10 to 15 minutes per person in order to interview vaccinee's detailed health conditions (e.g., past medical history, present history of illness, medication history). We appreciate your cooperation.

6 What to prepare on appointment

- ▣ Passport
- ▣ Medication notebook ("Okusuri techo"), or other personal health records
- ▣ Other vaccination history or plan 1 month before and after the date of yellow fever vaccination

7 Send a photocopy of your passport afterward

- ▣ Please send a copy (or picture taken by smartphone) of the page with your name of your passport after appointment by e-mail or FAX.
