

Price and payment

Price of vaccination of yellow fever is shown below.

Payment is available **only by revenue [fiscal] stamps (“shu-nyu-in-shi”)** issued by Japanese Government. Both of cash and credit card is NOT acceptable. It is required to purchase a set of revenue [fiscal] stamps equal to the price at **post office** in advance and bring the set on the date of vaccination.

1 Price

- ☛ **17,680 JPY per person** (revised on 1st October, 2019)
 - ※ Including price of issue of yellow card
 - ※ Same price for either of adult and child

2 Payment

- ☛ **Only by Revenue [Fiscal] Stamps** (“shu-nyu-in-shi” in Japanese)
 - ※ Cash or credit card is NOT acceptable
 - ※ Purchase at post office in advance and bring the set on the date of vaccination
 - ※ There is a post office on the 1st floor of the Airport Terminal Building
 - ※ For multiple vaccinees:
 - Purchase in separate sets of revenue [fiscal] stamps for each of vaccinees (eg. 3 sets for 3 vaccinees);
 - do not aggregate prices of multiple vaccines
